

# BVHS AP Exam

Students all over the world take AP Exams. The AP Exam is the final step students take after a year of hard work in an AP class. These standardized exams are designed to measure how well students have mastered the content and skills of the course—a successful score could earn the student credit and advanced placement in college. Every college/university requires a different AP exam score for the student to receive college credit. AP Exams are scored 1 through 5.

5=Extremely well qualified    4=Well qualified    3=Qualified    2=Possibly qualified    1=No recommendation

**AP Exams cost \$92 per exam.** Please make check out to Brandon Valley High School. Turn in the check with the form below to Ms. Hartz in the high school office. If you have any questions, contact Katie Hartz at 605-582-3211 or [Katie.Hartz@k12.sd.us](mailto:Katie.Hartz@k12.sd.us).

Students who change their mind after paying for an AP exam and do not want to take the exam will be refunded \$77, as long as the exam is not opened and they let Ms. Hartz know in advance. The school is charged \$15 for unused exams, thus \$92 - \$15 = \$77. Refunds will be given to the student once all AP exams are administered.

AP exam dates and times are provided on the AP Bulletin for AP Students and Parents. Be sure to make note of the date and time on your calendar. Please note that AP exams start promptly at the time posted. Students who are late will **not** be permitted to test. Information regarding AP exams will be in the announcements, sent to AP teachers, and posted on teacher's doors.

Students and their parents are encouraged to visit [www.collegeboard.org](http://www.collegeboard.org) to learn more about the exam, exam policies, and tips on how to prepare for the exam. Students need a College Board account to receive their AP Scores in July. Make sure you register for an account.

**Keep the information above for your records.**
