

# Smarter Balanced Practice Test

Follow the steps to take your practice test. All juniors will test April 19 and 20. If you are gone, you will make up the tests when you return. These are not tests you can study for, just try your best. Today you will take a practice test so you are familiar with the online format. You will need headphones for the practice test AND the actual test.

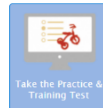

---

Step 1: Open <http://sd.portal.airast.org/>

Step 2: Click on **Practice & Training Tests** (lower right)

Step 3: Click on **Take the Practice & Training Test** (top left)
